Social Committee News!

After 10 years of planning monthly Potluck dinners, Sip 'n Dips, Brunches and Ladies Lunches and other assorted events, our current social committee is stepping down.

- What does that mean to you? We need volunteers to step up and take over the party planning and social events.
- So, do you have the time? Yes, you do, because it is not 12 months of the year; only October through May.
- Is it a lot of work? No, because you will have a team working with you.
- What's involved? Coming up with ideas for parties or social activities, setting up as necessary, clean up as needed.

The Social Committee is responsible for maintaining the supplies for all community events in the closet in the clubhouse. There are funds that will be transferred to the new committee to maintain this.

Who should step up? You and your friend who love to see new and exciting things happen here in St. Andrews East. Just think if each association (there are 11 associations) had at least one volunteer, you would only have to work on 2 or 3 events. As it only takes a few people to run an actual event.

Folks, we are at a critical stage for having fun come this autumn. Please volunteer as this community will only be great with your help.

HUGE, *THANK YOU!*    To our outgoing committee.

John and Pat Bilello

Dave and Lucy Crist

Bill and Mary Jayne Szyper

Chris Popper

Without your innovation and fun ideas, we would not have made as many friends or memories here in our new home, St. Andrews East.

SAE Updated Directory

I am working on updating the St Andrews East resident directory. Thank you to all who sent me updates. There was a delay in obtaining all the information needed for the directory. You will have your copy by the second week in August.

Security Reminder

If you keep your car in your driveway, be sure it is locked, and all valuables removed from the car. I keep reading reports of cars being broken into in nearby communities.

Hiring a contractor? If the contractor states they have more than one employee who works for them, check out the FL workman's compensation website. That site will tell you how many employees are covered by WC and will verify the contractor's information.

Need to know!

Water Aerobics is held at the Tartan pool, weather permitting.

Association meetings take precedence over activities.

The clubhouse is cleaned every Thursday starting at 1:30 p.m.

Pool key lost?

A replacement pool key is obtained from Argus Management at 1062 E Venice Ave. Cost is \$5.00 per key payable in cash or check payable to St Andrews East.
